About Me

My name is Lauren Cockrell. I am a Fashion Model from Knoxville Tennessee. I love fashion and modeling. I began modeling as a baby. My parents entered me in several pageants. Around the age of 6, I started modeling for Barbizon. Traveling frequently to Atlanta Georgia from Knoxville.

I am now 18 years old! I have modeled for large businesses such as Marriott & Southern Tide. As well as local brands and boutiques. Which includes representing several boutiques as a brand ambassador.

My experience has taught me that modeling is lot more than just having a pretty smile. It is about representing a product, service or destination in a committed, confident, and positive way. Both verbally and visually. I strive to meet that standard in all of my modeling.
